Large Gifts

Donors wishing to make a substantial gift need advice.

In many cases by simply introducing them to a concept like a charitable trust or gift of appreciated property you are opening up a door that could lead to much larger gifts.

When you subscribe to this optional service a special “Large Gifts” button will appear next to the box where the donor types in the amount they wish to give.

When this button is clicked on the donor will receive a pdf guide to large gifts with your organization’s name, logo and contact person included.

Priced at \$75 monthly
